Who we are

At Education Boutique, we believe every learner deserves a chance to thrive, no matter the challenges they face. Specialising in supporting schools and trusts with bespoke educational packages, we provide tailored tutoring solutions for students who struggle with school attendance due to SEND or EBSA. Our expert educators work closely with each learner, designing personalised programs to re-engage and reintegrate them into school or the workplace, empowering them to reach their full potential. With a focus on inclusivity, compassion, and innovation, Education Boutique helps create lasting, positive change for vulnerable students, ensuring no learner is left behind.

What we offer

For Coventry Alternative Provision, Education Boutique delivers tailored core subject tuition and social-emotional support in a range of settings, including the learner's home, school, library, or community venue. Provision is available from Key Stage 1 to Key Stage 5, with programmes adapted to individual needs and educational goals. [

Key features include:

Personalised 1:1 tuition programmes.

Specialist support for SEND, SEMH and EBSA learners.

Trauma-informed and safeguarding-led practice.

Regular lesson reports and progress monitoring.

A focus on improving engagement, wellbeing, attendance and successful reintegration into education.

Student Outcomes

Students will demonstrate improved engagement with learning, increased attendance and participation, and greater confidence in their educational journey. Through personalised academic support and targeted social-emotional interventions, learners will develop subject knowledge, independence, emotional regulation, and positive relationships with trusted adults. The provision aims to support successful reintegration into school or an appropriate long-term education pathway, while improving overall wellbeing and readiness to learn.
