Moor Farm Stables, Wall Hill Road, Corley Moor,
Warwickshire, CV7 8AP

Who we are

Moor Farm Stables is a BHS Approved, ABRS Approved, RDA Approved, Pony Club Centre and Club mark professional riding school, and training centre situated in the beautiful North Warwickshire countryside. We have over 50 horses and ponies whose welfare is paramount, they are never overworked, always have good food and live the best way horses can in a natural herd with lots of grass, shelter and stables. We accommodate all clients, providing courses and lessons for beginners, intermediate and advanced riders.

What we offer

Moor Farm Stables provides an Alternative Provision solution for Schools and Local Authorities, facilitating access to a broad and balanced curriculum for students. We offer a variety of courses and can offer them as engagement-focused programmes designed to foster personal growth and readiness for learning, free from the pressures of accreditation or accredited courses, some of which are equivalent to GCSEs. Our primary expertise lies in Personal Development and Equine Services; however, we also offer programmes in Animal Care, Floristry and Horticulture. Our courses are accredited by NOCN and the British Horse Society.

Student Outcomes

Students will improve their engagement, attendance and readiness to learn through a supportive and structured environment. They will develop confidence, resilience and positive behaviours, while making progress towards their individual academic, vocational and personal targets. The provision aims to help learners build independence, enhance their wellbeing, and successfully transition to further education, training, employment or an appropriate next educational placement.
