All tutors are carefully vetted and matched to individual needs, with progress monitored and reported back to referrers to ensure positive outcomes.

What we offer

Communication and Liaison between Local Authority, School, Family, and Student, Weekly Reports, Attend Multi-Disciplinary Meetings, Addressing Barriers to learning, Tailored support for SEND, Cultural and Social Inclusion

Student Outcomes

In many cases Remedy have provided successful tuition whereby other education attempts have not succeeded. We have managed to successfully re-engage disengaged learners, and transition students who have previously been out of education back into education and helped our learners achieve passes in qualifications that may not have been possible otherwise.
