Educating & Validating Children Through Play & Football

What's the Game Plan?

Not all children thrive in traditional education, and we understand that. Our mission is to support schools and Local Education Authorities (LEAs) in providing every child with the education they deserve.

Before children can truly engage with learning, they must first build self-identity, self-esteem, and confidence in their abilities. **TURN AND FACE** offers a unique way to foster this confidence, through football, mentorship, and fun. By creating trusting relationships with supportive adults and focusing on what children can do rather than what they can't, we help them develop the confidence to tackle challenges, whether it's maths, english, or the offside rule!

Our Partnership with Rugby Borough FC

Through our collaboration with Rugby Borough FC, we offer:

- Access to professional-level training facilities
- Coaching from inspiring female athletes who have achieved incredible goals
- A chance for children to feel valued and empowered
- Role models who prove that "yes, you can!" no matter the challenges life throws your way

Fixtures

- Small group sessions (max. 6 children to 2 coaching staff)
- Mixed-gender and girls-only sessions available
- One-on-one support when needed
- Fully inclusive, disability is no barrier

TURN AND FACE!

This program isn't about football ability, it's about helping children realize their potential and building meaningful connections with supportive adults.

What do participants receive?

- Rugby Borough FC training gear, just like the pros!
- Mascot experiences and half-time presentations
- Free match tickets to games

There will be challenges along the way, but just like the children, even the best players and coaches face struggles too. Learning to overcome them together is what makes us stronger.

Empowering the Next Generation

By focusing on validation, positive engagement, and resilience, we help young people develop the confidence to succeed, both on and off the pitch.
