Appendix 2 – Faith Place Supplementary Form

1. Introduction

This document sets out The Diocese of Coventry Multi Academy Trust (the Trust) Policy with respect to Admissions. The Trust is the Admission Authority for its academies. Each Academy Governance Committee is delegated to act in respect of admissions on behalf of the Trust.

Recognising their historic foundations, each academy will preserve and develop its religious character in accordance with the principles of the Church of England and in partnership with the churches at parish and diocesan level.

Each academy aims to serve its community by providing an education of the highest quality within the context of Christian faith and practice. It encourages an understanding of the meaning and significance of faith, and promotes Christian values through the experience it offers to all its pupils.

In accordance with government legislation, each Academy Governance Committee consults with the Multi Academy Trust, Diocesan Board of Education, the Local Authority, other local academies, parents and other relevant persons in respect of its admissions arrangements.

2. Aims

The overriding aim of this policy is that it should work for the benefit of all children and parents/guardians in our area. It should be simple to use and assist parents/guardians to make the best decisions on the preferred academy for their children.

3. How Many Pupils will be Admitted (Published Admissions Number - PAN)

Every year the Trust will review and publish information concerning the academy's admission policy. This will confirm the maximum number of children to be admitted to the academy during the normal admissions round for the year of intake. This number is the Published Admissions Number (PAN). PAN therefore only applies to the usual points of entry in a school:

- Reception (primary or infant school)
- Year 3 (Junior school)
- Year 7 (secondary school)

If the number of applications is lower than the academy's published admission number, all applicants will be admitted. If there are more applications than places available then all applications will be given a priority from the oversubscription criteria and places will be offered in priority order.

The PANs for each of our academies is set out in the academy specific information in Appendix 1.

4. Priority Area

The priority area for each academy is set out in the academy specific information in Appendix 1.

5. Over-subscription Criteria

Children with an Education, Health and Care Plan that name a specific Academy will be offered a place first. This will reduce the number of places available at the Academy.

Where more applications have been received than places available or where to admit would conflict with the academy fulfilling class size legislation, the following priorities shall apply in order of the over-subscription criteria for each academy as set out in the academy specific information in appendix 1.

The definition of a sibling is:

- A child sharing the same parents;
- A half-sibling where two children have one common parent;
- A step-child, where two children are related by a parent's marriage or civil partnership;
- An adopted or fostered sibling.

6. Distance

If an academy is oversubscribed within any of the oversubscription criteria, the determining factor will be the distance from the child's home address to the academy (priority being given to the shorter measurement).

Distance will be calculated by the Local Authority using a straight line measurement made using a computerised mapping system, from the centre of the applicants home address to the centre of the preferred academy as set by the Local Authority. All distances are subject to changes which may occur with updates of mapping data.

If two or more children with the same priority for admission live an indistinguishable distance from the academy, but cannot both be admitted, then the places will be decided by the drawing of names from a hat, and this will be independently overseen and verified by a governor or Academy Governance Committee member from another school.

The address for admission purposes is the place where the child is permanently resident with his or her parent or parents or legal guardian(s). Where a child lives with parents with shared responsibility, the home address will be considered to be the address where the child sleeps for the majority of the week. If the child spends exactly equal amounts of time with each parent or guardian, it is the responsibility of the parents to decide which address is the home address for admission purposes. Parents should not assume that a place will automatically be allocated to their child.

7. How to Apply for a Place at One of Our Academies

7.1 Normal Admissions Round Application Process

School places are available as follows:

- Reception school places (Primary or Infant Schools only) are available for children from the September following their fourth birthday.
- Junior school places are available for children from the September following their 7th birthday.
- Secondary school places are available for children from the September following their 11th birthday.

Application for the normal admissions round is via a Local Authority Common Application Form (CAF), which can be accessed and submitted online through the Local Authority Admissions Service website or hard copies are available from the Local Authority or the academy. The Common Application Form should be returned to the Admissions Service by the date given by the Local Authority.

Applications from families moving into the area will be considered as on time if they are submitted and accompanied by proof of address by the date given by the Local Authority.

Late applications (i.e. those received after the deadline for the normal admissions round) will not be considered until after all of those which were received on time have been processed. The Academy cannot guarantee places for children when there are no places available as a result of late applications for the normal year of entry or any application that relates to a different year group.

Once an offer of an academy place has been made, it may only be lawfully withdrawn in very limited circumstances, which include an offer of a place based upon a fraudulent or misleading application. Where an offer of a place is withdrawn, an application may be made afresh, and a right of appeal taken up if an offer of place is refused.

Attendance at an academy Nursery does not automatically guarantee that a place will be offered in the Reception class of the academy unless specified in the academy specific information in appendix 1. Parents must apply for a Reception place in exactly the same way as parents of children not attending the Nursery. All applications will be considered against the oversubscription criteria in the same way regardless of whether the child does or does not attend the Nursery at the time of application.

For Leigh CofE Academy, Harris CofE Academy St John's CofE Academy and St Nicolas CofE Academy only, where parents wish to be given preference on the grounds of their faith within their application for a place at the academy they should complete the supplementary application form (see Appendix 2). This form must be completed at the same time as the Common Application Form and ***returned directly to*** *the Academy office.*

7.2 Starting School and Deferred Entry (for entry to Reception Only)

Provision must be made for the admission to school of all children in the September following their fourth birthday.

Where a place at a school has been offered:
Your child is entitled to a full-time place in the September following their fourth birthday;
You can defer the date your child is admitted to the school until later in the school year, but not beyond the point at which they reach compulsory school age and not beyond the beginning of the final term of the school year for which it was made; or
If you wish your child may attend part-time until later in the school year but not beyond the point at which they reach compulsory school age.
A child reaches compulsory school age on the prescribed day following his or her fifth birthday (31 December, 31 March and 31 August).

Children below Compulsory School Age

Parents of children born from 1 April to 31 August (referred to as 'summer-born') who wish their child to start school in the autumn term following their 5th birthday, when they reach

compulsory school age, and to be educated 'out of year group'(i.e. in the Reception Year rather than Year 1) are advised to contact the school to discuss their situation at the earliest possible opportunity.
All such parents are advised to apply for a Reception place in their child's normal age group at the usual time and submit a request for admission out of the normal age group at the same time. Such requests must be made in writing to the Governing Body (by letter addressed to the Governing Body, c/o the school office). The Governing Body will consider each request, taking account of the factors described above.
If the recommended procedure is followed, the Governing Body will respond to the request before any offer of a Reception place is made for the child's normal age group. If the request is agreed, the application for a place in the child's normal age group can be withdrawn.
If the request is refused but the child is offered a place at the school in their normal age group, parents may decide whether or not to accept the offer of that place or refuse it and make an in-year application for admission into Y1 for the September following the child's 5th birthday.
Where a parents request for out-of-year-group admission for their summer-born child has been agreed, they must make a new application for a Reception place at the school as part of the main admissions round the following year.
Parents do not have the right of appeal against a decision not to place the child in a year group outside their normal age group.

7.3 Admission into a Class Outside of their Normal Age Group

Children are normally be educated in their chronological age group. However, a request may be made that a child should be admitted outside their normal age group. Such requests must be made in writing to the Governing Body (by letter addressed to the Governing Body, c/o the school office), accompanied by any evidence the parents wish the Governing Body to consider in support of the application. The Governing Body will consider the request and will make a decision based on the circumstances of each case and in the best interests of the child concerned. This will include taking account of the parents' views, the child's academic, social and emotional development; (where relevant) their medical history and the views of a medical professional; whether the child has previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely. The Governing Body will also take into account the views of the head teacher. The Governing Body will set out the reasons for its decision when informing parents of its decision about the year group the child should be admitted to.

If the Governing Body agrees to the request for out-of-year-group admission then an application must still be made for a place for the child in the school. Approval of an out-of-year-group admission request does not automatically mean that a place will be available in the preferred year group.

7.4 In-Year Admissions

Parents should apply directly to the Local Authority Admissions service. If there are more applications than places available in the year group concerned, the Academy Governance Committee will apply the oversubscription criteria to all the applications and inform the Local Authority if a place is available. The Admissions Service will notify parents of the outcome.

8. Waiting Lists

In the normal admissions round, it is necessary to complete a Local Authority Common Application Form to apply for an academy place. Registering interest with the academy before the admissions round guarantees neither a place nor priority within the oversubscription criteria. Offers of places will be made by the Local Authority on the academy's behalf in the normal admissions round.

If the academy is oversubscribed following the normal admissions round, a waiting list will be maintained until December 31st of that year. The position on the list will be determined by applying the published over-subscription criteria and not by date of receipt. This will mean a position will change if a later application is received from someone with higher priority according to the over-subscription criteria. The existence of a waiting list does not remove the right of appeal against any refusal of a place from any unsuccessful applicant.

Names will only be removed from the list if a written request is received or if the offer of a place that becomes available is taken up or declined. The waiting list will close at the end of the autumn term (31st December). At that time parents of pupils on existing lists must confirm in writing their wish to be placed on a newly constructed waiting (or continued interest) list, which will operate for the remainder of that academic year. Non-receipt of written confirmation will result in not being placed on the newly constructed list.

9. Multiple Births

For normal admission round applications (September entry), the Academy Governance Committee will give careful consideration to offering places above the Published Admission Number (PAN) to applications from individuals with parental responsibility for children whose twin or sibling from a multiple birth is admitted even when there are no vacant places and the twin or sibling has been given the last place in the year group.

If possible, places will be offered at the same academy to twins, triplets and children from other multiple births. For infant classes, a child whose twin or sibling from a multiple birth is admitted (other than as an excepted pupil) will be a legal exception to infant class size limits.

10. Equal Opportunities Policy

The admissions policy of the Trust is, while there are adequate places, to offer a place to all applicants irrespective of gender, religion, ethnicity or country of origin, disability or academic ability. Where applications exceed places available, offers will be made in accordance with the over-subscription criteria.

11. In year Fair Access (IYFA) Protocol

Each Academy Governance Committee recognises its duty to work with the Local Authority during the course of the year to provide fair access for "hard to place" children, even where the academy has already reached its published admission number – except where the infant class size limit of 30 pupils would be breached by doing so. These pupils may include children who have previously been permanently excluded from a school, children of Traveller families, refugees and asylum seekers, and children on the Child Protection register. The protocol established by the Local Authority for this purpose is designed to ensure that such pupils are shared equally between schools in an area.

12. Appeals Procedure

Parents have a right of appeal to the Independent Admission Appeals Panel against the decision of the Academy Governance Committee to refuse application for an academy place. An Independent Admission Appeals Panel will be arranged by the academy and details of the appeals procedure are available on the Trust website under Admissions here: https://www.covmat.org/multi-academy-trust-policies/

If you believe the admissions arrangements contained within this policy are not compliant with the Schools Admissions Code, an objection should be submitted to the Office of the School's Adjudicator (OSA) at osa.team@osa.gsi.gov.uk

13. Enquiries or Comments About This Policy

Enquiries or comments about the Published Admissions Number, Priority Area or Over-subscription Criteria for the academy should be addressed to the Chair of the Academy Governance Committee via the academy office.

All other enquiries about this policy should be addressed to the Head of Operations and Compliance by email to info@covmat.org.

Please note that subject to the above policy and the relevant appeals procedure, decisions regarding admissions will be the responsibility of the Academy Governance Committee.

Appendix 1 – Academy Specific Information

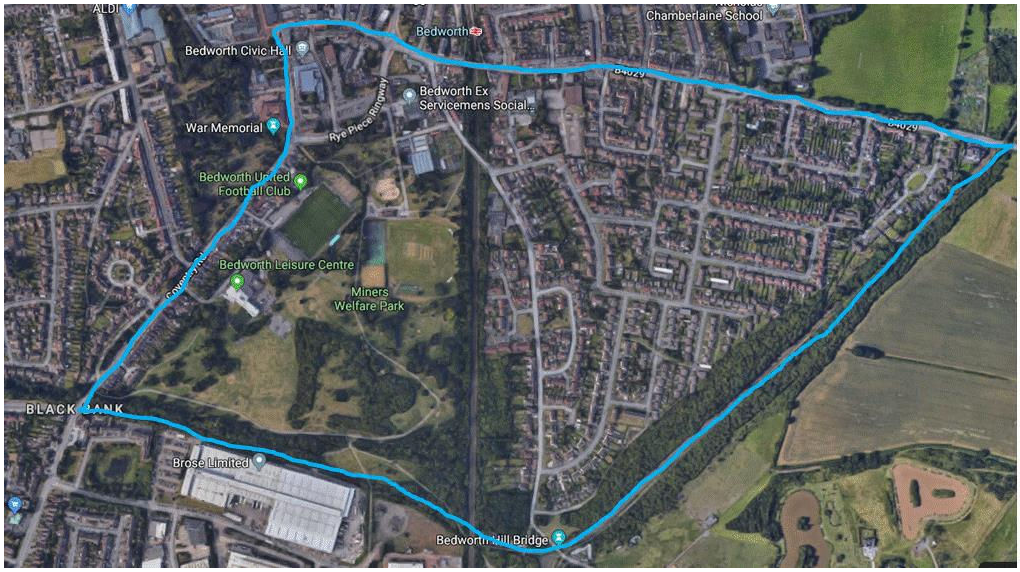

All Saints Bedworth CofE Academy

Published Admissions Number (PAN) for admission into Reception – 30

Local Authority - Warwickshire County Council

Harris CofE Academy

Published Admissions Number (PAN) for admission into Year 7 – 180

Local Authority - Warwickshire County Council

Priority Area

No geographical priority area.

Over-subscription Criteria

a) **Looked After Children**
A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order91 including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

b) **Children of permanent members of staff at the academy**
A child who is the son/daughter of a member of staff (teaching and non-teaching) who, in line with section 1.39 of the Admissions Code, has been employed for at least two years.

c) **Children with a sibling attending the academy at the time of entry**
A child is considered in this category if a sibling is attending the academy at the time of application and will continue to do so at the time of admission i.e. at the start of the new academic year, and where the child lives at the same address as the sibling.

d) **Faith related criteria**
   i. The child is, or one of their parents is, a regular worshipper at a Church, who worships twice a month (which may equally include weekday and Sunday acts of worship) for a minimum period of 2 years
   ii. The child is, or one of their parents is, a regular but not frequent worshipper at a Church, who worships once a month at either a weekday or Sunday act of worship or attends a church activity (such as a Church Parade Service) which includes an element of public worship, for a minimum period of 2 years.
   iii. The child is, or one of their parents is, an occasional worshipper at a Church who worships more than twice a year at either a weekday or Sunday act of worship or attends a church activity (such as a Church Parade Service) which includes an element of public worship, for a minimum period of 2 years.

Within this policy 'Christian church' means any church which is designated under the Ecumenical Relations Measure nationally by the Archbishops of Canterbury and York, or is a member of Churches Together in England, or the Evangelical Alliance, or a partner church of Affinity. It also includes churches which are members of the Anglican Communion worldwide, as set out in the list of members maintained by the

Anglican Communion Office and available at on their website: www.anglicancommunion.org

Where parents wish to be given preference on the grounds of their faith for a place for their child and only in these circumstances, evidence of attendance at or membership of a Christian church is required in the form of a supplementary form (see appendix 2) which should be sent directly to the academy by the published closing date.

In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship.

For normal admission round applications (September entry) a maximum of 50% of the places at the academy will be allocated to children of practicing Christian families and who submit a supplementary information form to the academy by the closing date for admissions applications (Faith places). If there are fewer applicants than Faith places in the normal round allocation for year 7, any unfilled places will be automatically become extra Local Places.

e) **Any other children not categorised above.**
These places will be offered to students who do not qualify for faith places.

Over-subscription Criteria

a) Looked After Children

A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the

exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

b) Siblings who live in the priority area of the academy

A child is considered in this category if a sibling is attending the academy at the time of application and will continue to do so at the time of admission i.e. at the start of the new academic year, and where the child lives at the same address as the sibling and is living within the priority area of the academy.

c) Faith related criteria within the priority area

i. The child is, or one of their parents is, a regular worshipper at a Church, who worships twice a month (which may equally include weekday and Sunday acts of worship) for a minimum period of 2 years
ii. The child is, or one of their parents is, a regular but not frequent worshipper at a Church, who worships once a month at either a weekday or Sunday act of worship or attends a church activity (such as a Church Parade Service) which includes an element of public worship, for a minimum period of 2 years.
iii. The child is, or one of their parents is, an occasional worshipper at a Church who worships more than twice a year at either a weekday or Sunday act of worship or attends a church activity (such as a Church Parade Service) which includes an element of public worship, for a minimum period of 2 years.

Within this policy 'Christian church' means any church which is designated under the Ecumenical Relations Measure nationally by the Archbishops of Canterbury and York, or is a member of Churches Together in England, or the Evangelical Alliance, or a partner church of Affinity. It also includes churches which are members of the Anglican Communion worldwide, as set out in the list of members maintained by the Anglican Communion Office and available at on their website: www.anglicancommunion.org

Where parents wish to be given preference on the grounds of their faith for a place for their child and only in these circumstances, evidence of attendance at or membership of a Christian church is required in the form of a supplementary form (see appendix 2) which should be sent directly to the academy by the published closing date.

In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship.

d) Other children who live within the priority area of the academy.

e) Siblings who live outside the priority area of the academy.

A child is considered in this category if a child is attending the academy at the time of application and will continue to do so at the time of admission i.e. at the start of the new academic year.

f) Faith related criteria outside the priority area

A) Looked After Children

A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order91 including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

B) Siblings who live in the priority area of the academy
A child is considered in this category if a sibling is attending the academy at the time of application and will continue to do so at the time of admission i.e. at the start of the new academic year, and where the child lives at the same address as the sibling and is living within the priority area of the academy. Priority is **not** given if the sibling attends a nursery unit linked to the academy.

C) Other children who live within the priority area of the academy

D) Children of permanent members of staff at the academy
A child who is the son/daughter of a member of staff (teaching and non-teaching) who has been employed at the academy for two or more years at the time at which the application for admission to the academy is made, will also be given equal priority status to that of siblings of children already at the academy who live outside the priority area.

E) Siblings who live outside the priority area of the academy
A child is considered in this category if a sibling is attending the academy at the time of application and will continue to do so the time of admission i.e. at the start of the new academic year.

F) **Faith related criteria**

i. The child is, or one of their parents is, a regular worshipper at a Church, who worships twice a month (which may equally include weekday and Sunday acts of worship) for a minimum period of 2 years
ii. The child is, or one of their parents is, a regular but not frequent worshipper at a Church, who worships once a month at either a weekday or Sunday act of worship or attends a church activity (such as a Church Parade Service) which includes an element of public worship, for a minimum period of 2 years.
iii. The child is, or one of their parents is, an occasional worshipper at a Church who worships more than twice a year at either a weekday or Sunday act of worship or attends a church activity (such as a Church Parade Service) which includes an element of public worship, for a minimum period of 2 years.

Within this policy 'Christian church' means any church which is designated under the Ecumenical Relations Measure nationally by the Archbishops of Canterbury and York, or is a member of Churches Together in England, or the Evangelical Alliance, or a partner church of Affinity. It also includes churches which are members of the Anglican Communion worldwide, as set out in the list of members maintained by the Anglican Communion Office and available at on their website: www.anglicancommunion.org

Where parents wish to be given preference on the grounds of their faith for a place for their child and only in these circumstances, evidence of attendance at or membership of a Christian church is required in the form of a supplementary form (see appendix 2) which should be sent directly to the academy by the published closing date.

In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship.
