

Coventry City Council

**NOTICE OF APPLICATION FOR ENVIRONMENTAL PERMIT**  
**POLLUTION PREVENTION AND CONTROL ACT 1999**  
**ENVIRONMENTAL PERMITTING REGULATIONS 2010**

**PROPOSED PERMIT FOR:** NP Aerospace, Unit 3 Central City Industrial Estate, Red Lane, Coventry, CV6 5RY.

I GIVE NOTICE THAT NP Aerospace is applying to Coventry City Council for an Environmental Permit required for the activities described below:

**to operate a Part B installation, involving a di-isocyanate process and the consumption of solvent for surface cleaning, as prescribed in Section 4.1 Part B, Organic Chemicals and Section 7 Part B (a), SED Activities of Schedule 1 to The Regulations.**

You may inspect copies of the application, the plans and any other documents submitted with it, at <http://www.coventry.gov.uk/ccm/navigation/environment/pollution/ippc-public-register/>

Anyone who wishes to make representations about this application should write to Environmental Protection, Room 314 Broadgate House, Broadgate, Coventry, CV1 1NH or [env.protection@coventry.gov.uk](mailto:env.protection@coventry.gov.uk) within 30 days from the date of this notice.

Please note that any correspondence received will not be acknowledged, but will form part of the application register which is available in full for inspection at our offices and that your comments (including your name and address) will be published on the Internet as part of the application documentation, which means that your information will be available world wide. Any written comments will be placed on the public register unless they include a statement requesting that this is not done. If there is such a request the register itself will just include a note that representations have been made which are not on the register because of such a request. Written advice on how to comment is available on the web site or at the above address.
