Freedom of Information Act 2000

Thank you for requesting information about GP commissioned public health services which the Council received on 12 March 2013 and considered under the Freedom of Information Act 2000.

You have requested the following information:

Which GP contracts are transferring from the PCT to the Local Authority?

The LESs for public health services are the only contracts for services provided by GPs which are transferring to the Local Authority on 1 April 2013.

Are there any public health services commissioned by the PCT to GPs currently which the local authority decided not to continue in April?

No

Please may I request brief answers in list form as per service, annual value, contract expiration date, contract status on expiration.

The following LESs will transfer. All will be extended until the end of March 2014 and it is expected that they will be put out to tender within 2013/14 for the service to be provided from April 2014.
